Dear Mr. Staver:

It is indeed our good pleasure to endorse your candidacy! Your willingness to serve your community proves that you care about people. You are going even further; you are demonstrating your desire to do something about the state of affairs around you.

An endorsement by the Democratic Women's Club of Florida Political Committee means that we are working for some of the same goals. These goals will not only be good for Democrats but are the foundations to make all of Florida a better place to work, raise a family, educate children to their highest and best, protect the rights of all persons and to live here through retirement having affordable health care, housing and peace of mind. Is that not the American Dream? We believe your efforts will be rewarded by victory on November 8th. To that end, not only do we endorse your candidacy, but we also present you with this award of \$350 (check #444). We hope it will assist your work toward election.

To comply with election rules, please let this letter serve as the approval of the political advertisements you may choose to use to communicate the endorsement by Democratic Women's Club of Florida Political Committee.

In advance of your victory, we offer you our congratulations for the sweet win on November 8, 2022. If we can be of further help to your campaign, please contact us directly or one of our more than 64 Chapters throughout the state.

Sincerely,

Nancy Lee Hurlbert

Nancy Lee Hurlbert, Chair
